

MCCC Children Ministry Update- September, 2021

Happy September everyone! **STAY CONNECTED** is the theme of our church this year. Our committee is excited to bring you some updates about our Children Ministry.

Who Are We?

- Our committee members are Pastor Amy, Doris, Annie, Enoch, Eugene and Molly.
- We are always looking to improve our ministry. Please free feel to speak to any one of us with your comments and suggestions.

What Have We Done?

- **Sunday Worship Service:** The children have been taking turns leading the song “Give Thanks” by playing piano/ guitar/ cajon/ flute, reading bible verses and the Lord’s prayer. It’s great to see the children taking part in serving the Lord and how much talents God has blessed them with!

- **Online VBS camp:** The theme this year was “Treasured - Discovering You're Precious to God” and it was held for one week in July 2021. We had 29 campers, 8 volunteers and 7 workers that joined. It was both a great experience for campers and the volunteers/workers..

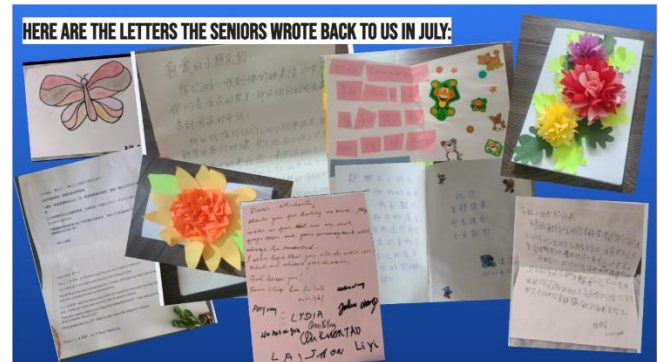

- **Grade 7 & 8 joined Fellowship in August:** In preparation of the students in this age group joining the English Ministry, they have joined the English fellowship for the first time on Friday August 27. They had in-person outdoor scavenger hunt held at a park, and then finished off with ice-cream at MacDonald’s! =) For the scavenger hunt, they were given bible verses that in some way link to a place, area or object at a park that they had to find and take a picture.

- **TEC:** Started a transition group to English congregation called “TEC” for the grade 7’s and 8’s. TEC stands for “Transition group to English Congregation”. The purpose of this group is to provide a gradual transition from the Children Ministry to English Ministry. It is optional for them to join this group, or join English Ministry directly. The transition period is set to be within one year. For more details of the information: Please click here → [TEC Group Info](#)
